PROJECT MANDIA
MARINE RESEARCH EXPEDITIONS

We need to raise awareness of what's happening to our ocean

and to explain and
advocate for the
solutions available to
end this crisis.

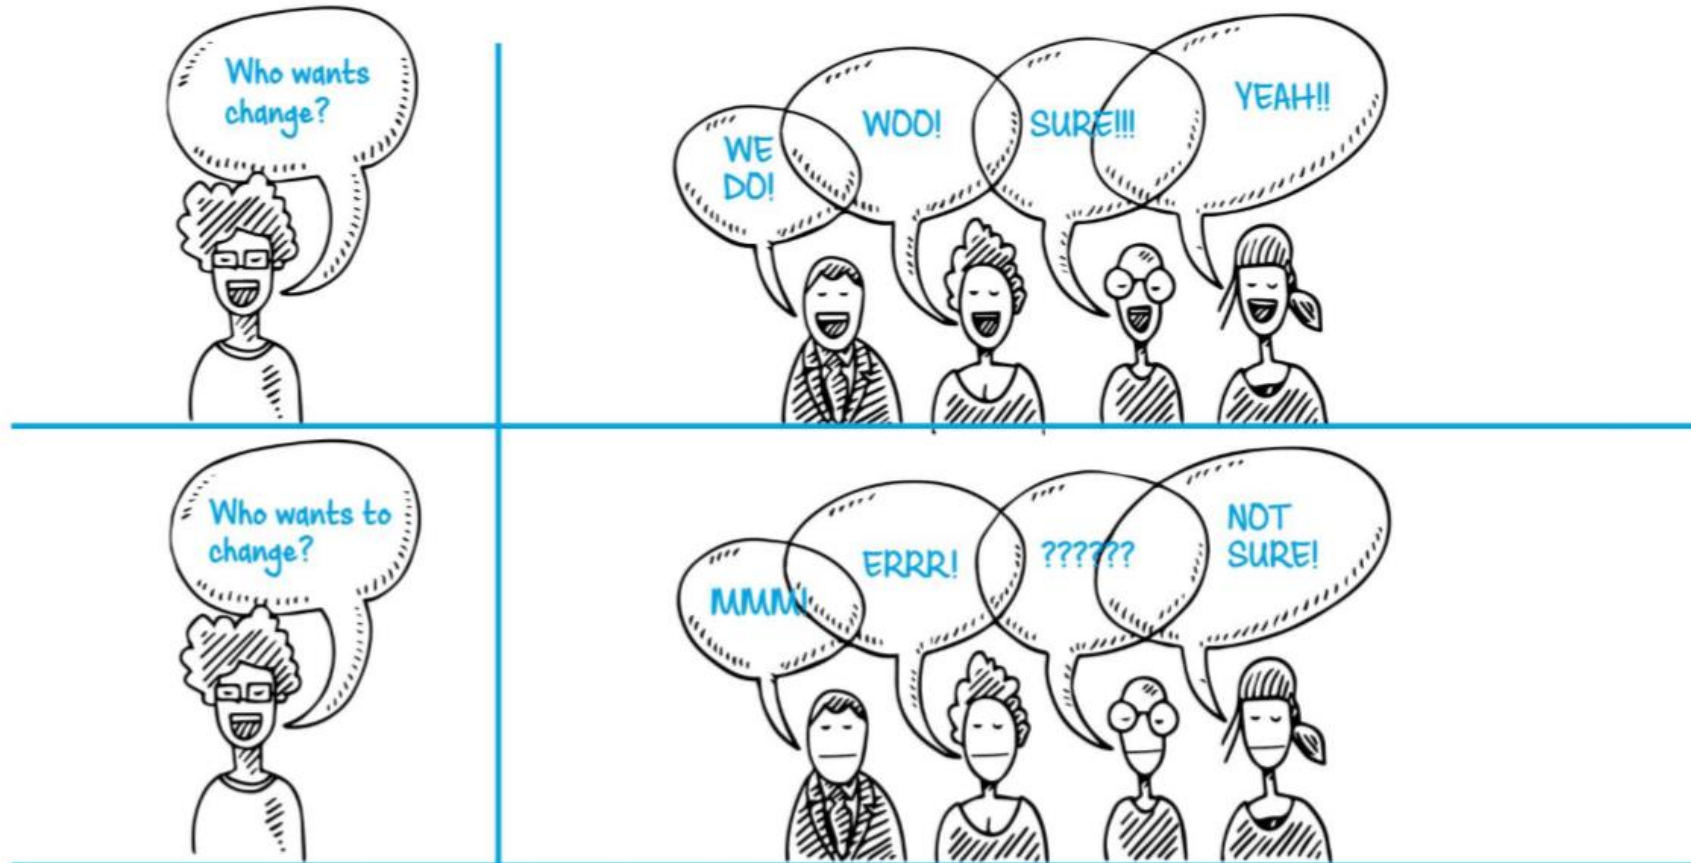

But...

Your audience understands the message.

Yet they don't respond to your call.

Welcome to
I'm with Lorac

 From a marine scientist

Great response among readers.

Making it accessible.

All proceeds towards spreading its message

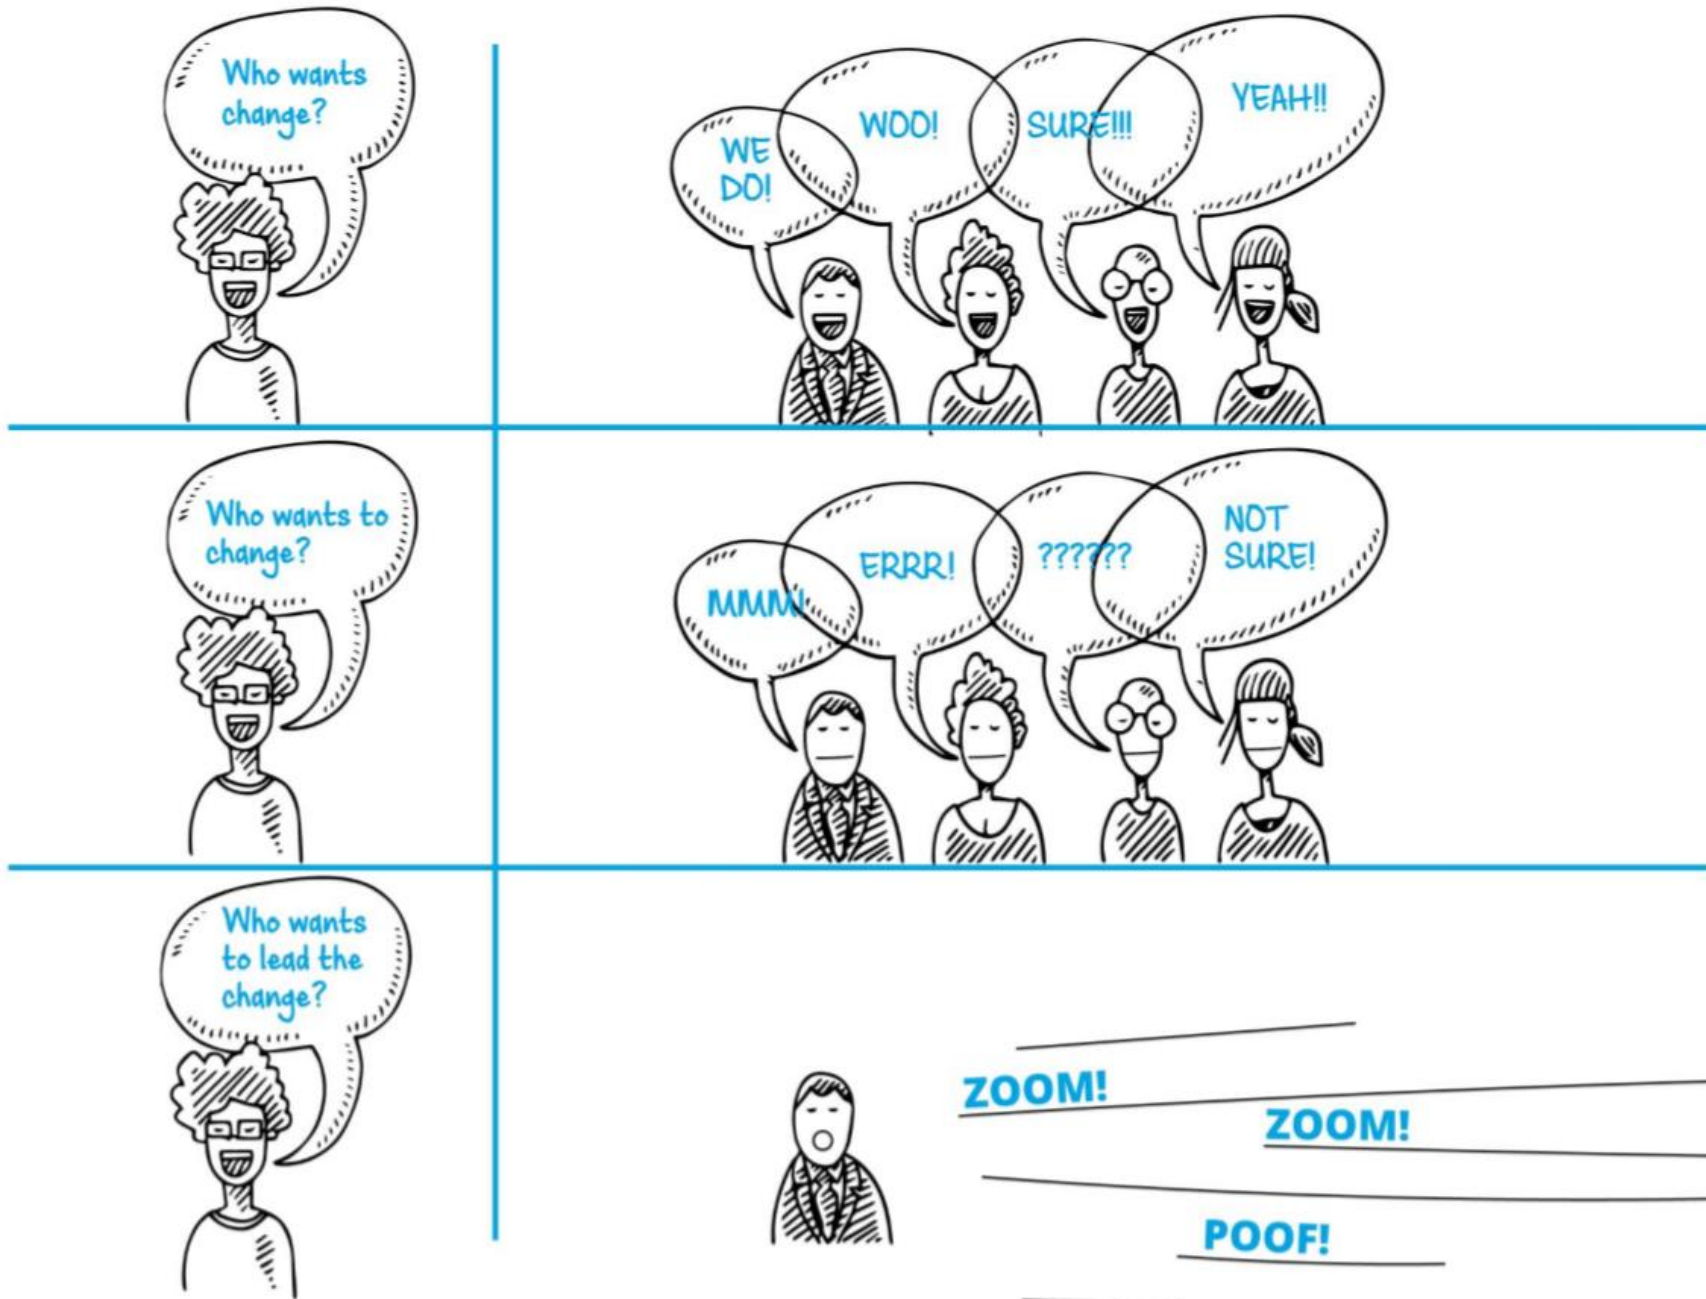

Your ideas matter.
Become change makers for the ocean!
